

Dear business partner,

We inform you about RETIC protective actions:

- Retail sale is prohibited in our company at this moment
- Sales to business partners (companies that have been assigned an identification number) **continue** as well as loading, unloading and distribution of goods

Rules for the entrance & the movement in the company / trucks & drivers:

- All persons including the truck drivers entering the RETIC premises must wear protective masks, or other protection of the mouth and nose (shawl, scarf, respirator, etc.)
- It is forbidden to move freely within the area, the driver must remain in the vehicle cabin except the preparing the vehicle for loading and unloading
- Movement of documents required for unloading, resp. loading of goods is managed by our authorized employee only
- At the same time, we would like to ask you for information about the mode in which your operation will work so that we can put you in a possible supply of goods

Management of RETIC, s.r.o.
